

Wrongful Convictions - When the Truth Matters

'The Right To A Fair Trial'

Guest Speakers

Bruce MacFarlane QC

Bruce is recognised as a World Leader in 'Wrongful Convictions'.
He wrote 'Convicting The Innocent - A triple Failure Of The Justice System'.
A seminal essay which has contributed greatly to understanding how the Western Justice System can fail its people.

Dr Robert Moles

Bob aims to raise awareness of the flaws in a system that is assumed to be just and fair and conducted according to the rules laid down by statutes.
How in reality sometimes the rules are not properly applied, investigations are flawed and witness evidence is wrong.

Bibi Sangha

Bibi is an expert in the 'Appeal Process'.
